## 2000 Pennies to Be Thrown Away!

Watch the wild scramble. Two thousand pennies actually dumped into the street from the second story of our building Saturday afternoon at 3:30 o'clock. "Finders keepers" is the only rule of the contest and no questions asked. The actual keg of pennies which will be thrown away is now on exhibition in our window. Don't fail to see the fun; then come in and look us over. Let us help you in your spring cleaning and painting plans. Samples free to housewives and painters.
